In this vision of the future, Waterboro Center's tree-lined and sylvan trails connect bustling new civic spaces such as a bandstand and a lakeside park. These community spaces are great places to run into a neighbor or sit and talk with a friend.

This is a perfect opportunity to become more invested, explore opportunities and offer your wisdom and talents on future planning and development activities. Members of the 20/20 Master Planning Committee and the Town Planner will be present to listen to and answer any questions that you may have. Mark your calendar and we'll see you soon.
