Friends of Old Corner Church was organized in 2005 as a 501(c)(3) organization under IRS code. Our specific purposes, as stated in our by-laws, are:

To preserve the Old Corner Church (also known as the First Baptist Church of Waterborough) and its contents and thereby perpetuate the memory of the early settlers and original members of the church.

To raise funds for the maintenance and improvement of the church building.

Bud Jamieson plans to prepare an album of weddings held over the years at the Old Corner Church. If this was the site of your wedding, or if you know of someone else's wedding held here, he would appreciate your sharing the photos. He can be reached at 247-3635.
