

Heavy Traffic Alert! – Waterboro, ME – August 26, 2012

Sometime during the morning hours on Sunday August 26th, there will be waves of bicyclists passing through the Town of Waterboro.

Revolution 3 Organizers say they have about 5,000 of them!

The bicyclists, from all around the world, will be starting with a 1.2 mile swim (we believe in Old Orchard) changing to a 56 mile bicycle ride coming up South Waterboro Road, turning onto Hamilton Road, and taking a right onto Route 202 (north).

They will be headed towards Hollis and traveling a course that will end with a 13.1 mile run and ending back in Old Orchard Beach.
