

Librarian - Waterboro Public Library

Waterboro is hiring a new Librarian for our Public Library. This is a new 32 hour per week position with increased responsibilities and corresponding full time benefits including health, dental, vacation, sick and life insurance paid in part or completely by the Town, plus mileage reimbursement and choice of 457 or Maine PERS retirement options. Vision, disability, and family/spouse health insurance are also available but at the employee's expense.

We strongly prefer candidates with Library of Science degrees, but candidates with extensive library operations and supervisory experience are also welcome to apply. Salary will be commensurate with experience with a range of \$35K-\$40K for the 32 hour work week.

Waterboro Public Library serves over 4000 patrons with a collection of close to 34,000 items. This position is supervised by the Waterboro Town Administrator with the assistance of a seven member appointed Library Board of Trustees plus our own 501(c)3 Friends of Waterboro Library organization.

A complete job description is available at our website www.waterboro-me.gov. We prefer applicants submit in MS Word a separate cover letter including three references and a separate resume. Hard copies of same will also be accepted. Please email applications to Town Administrator Gary Lamb at administrator@waterboro-me.gov or mail to him at 24 Townhouse Road, East Waterboro, ME 04030. The deadline for applications is 3:00 p.m. Tuesday November 14. Interviews and hiring will occur as soon as possible and our new Librarian will hopefully start in early January at the latest.
