

## **HELP NEEDED SAT, DEC 12, 2015 TO INSTALL ICE RINK LINER**

Saturday December 12th at 8:30am we will be meeting at Carle's Corner Ice Rink to install the rink liner, wall guards & bumpers. We need strong hands to lift and roll out the liner, stretch the liner, and fit the liner into the frame form. This liner weighs over 500lbs!! Poland Springs will be rolling in at 10:00am sharp to drop the first 8000 gallons of water. Rink is located at the intersection of Old Alfred Road and Route 5 behind the Taylor House Museum.
