

Road Construction (Route 5 –Sokokis Trail) Water Line Extension

Beginning Thursday September 5, 2013 the Town of Waterboro/RSU 57 will begin road construction on Rt. 5 (Sokokis Trail) starting at the Middle School & Victory Circle intersection.

Road construction will continue down Rt. 5 installing a water main to the Waterboro Elementary School.

Traffic will be limited to 1 lane during the construction period of September 5th until completion on or around October 23, 2013. Alternate route for traffic towards Limerick will most likely utilize Victory Circle.

Please plan alternate routes around this area if at all possible. Traffic may be extremely congested during commute times.

Construction begins on September 5, 2013

Completion on or around October 23, 2013

Traffic congestion and short detours will exist
