

Little Ossipee Lake Winter Drawdown Began on Weds, Oct. 15, 2014

Lake will be taken down 2' at a rate of approximately 1" per day.

NOTES REGARDING NEXT YEAR'S (2015) DRAWDOWN:

The 2015 drawdown will start Oct. 1 and the lake will be taken down 3'.

Waterfront owners should start making plans in the Spring of 2015 and obtain the necessary permits to do any shoreline maintenance.
