

Present: Donna Mayo, Kelly Mayo, Shonda McLaughlin, Jim Carll, Jeannie Grant and Jon Gale, liaison from Board of Selectmen.

- No report on JROTC clean-ups as Pete Jordan was not present.
- Committee sign-up sheets due at Town Hall by July 15th.
- A new inventory list is needed, to be completed by Pete Jordan.
- Jeannie Grant assumes role of secretary for the committee.

- The "adopt a cemetery" list needs to be updated. It was suggested that the current listing of people be contacted by telephone, with an attempt to obtain a commitment, a mailing address, and e-mail address. We can recruit possible committee members when calling. Also, it was suggested to go to neighbors of cemeteries needing a caretaker and ask if they are willing to work on the cemetery or adopt it. Donna will divide up the list between herself and Jeannie.

- A list of cemeteries needing repair was discussed;
 - Possibly the fence at the Weymouth Cemetery on Deering's Ridge;
 - The fence at the Carpenter Cemetery on Clark's Bridge Road;
 - There is a stone down in the McLucas Cemetery on McLucas Road;
 - The Fernald-Ricker Cemetery needs to be added to the veteran's list.

- Russ Jensen will be contacted regarding Round-Up at the Hamilton Cemetery.
