Pete hopes to be able to repair stones in the William Thyng Cemetery before winter. Jeannie to provide Kelly with a list of graves to cross-reference with her list.
- A reminder to fill out your sign-up sheets and submit to Town Hall if you have not done so.
- Pete will conduct an inventory of supplies for this year.
- Donna is working on adoptee list and will share with Jeannie for calling. They will solicit committee members while calling.
- Kelly advised the website is ready and it was suggested Donna contact Pam Witman to discuss a possible link. Information on refurbished cemeteries and photos can be added to the website. There is also a form for people to fill out advising of any cemetery damage.
