

Minutes of the Library Building Committee
September 19, 2005

Attending: Ruth Blake, Wendy Carter, Tom Cyr, Jack Seery

Not Attending: Rit Pinette

Also Attending: Frank Oliva (Architect)

Tom Cyr called the meeting to order at 6:05 p.m. Acceptance of the minutes was postponed in order to get to the gist of the meeting and the review of the preliminary building program presented by the architect.

The committee members reviewed the program data initially set down by Mr. Oliva following his initial contact with this committee and conferences with the librarians and various board members. Each room and area was discussed for size and use, and in some cases adjustments were made. Mr. Oliva will take these dimensions and flesh out a possible lay out plan for our consideration.

This committee will meet with the architect on Monday, September 26 at 6:00 for a workshop to review the alterations.

Adjourned at 9:15 p.m.

Respectfully submitted,
Wendy Carter
Secretary
