Vermiculture Presentation/Demonstration Speaking Fees

\$100 speaking fee for non-profit\* groups (within 100 miles of Scarborough, Maine);

OR

Discounted (\$50) speaking fee with advance purchase of 2 starter kits (bin+1# @ \$35 per unit), 3# worms (@ \$20 per unit), or 2# and a bin (\$50);

OR

No speaking fee with advance purchase of 4 (or more) starter kits (bin+1# @ \$35 per unit) or 5# (or more) of worms (@ \$20 per unit).

\* Non-profit organizations are 501(C)3. If your organization is not a 501(C)3, please add \$25 to the above (talks are free for advance purchases of 5 kits or 6#).

No less than 2 weeks prior to the speaking date send me a check (or PayPal) for the full speaking fee or any advance purchased items according to the speaking fee structure above. If it is just the speaking fee, let me know and one week advance payment is acceptable. If I do not receive payment, I will assume the event has been canceled.

When I arrive, I will have all items that were purchased in advance by registered attendees. Attendees will also have the option (unless you say otherwise in advance) to purchase directly from me after the talk. I will estimate what to bring based on the number of attendees.

For adult courses or older students, I have a Powerpoint slide show that can be used. I do not have access to a laptop. I can also present without slides. I am flexible.

I have learned to do it this way so I don't bring more than I will need.

Please pay me via check (payable to Mark Follansbee at the address below) or PayPal ([wormmainea@maine.rr.com](mailto:wormmainea@maine.rr.com)).
