### **Parade:**

Still waiting on guidelines for safety concerns. If we can't get anything back by next meeting this will also have to be a priority. Jenn seems to have gotten feedback about the oldest veteran in Waterboro, Angie will reach out to her to ask if should would contact him about being our Grand Marshall.

### **Entertainment:**

We have a couple bands registered so far according to Dave. Will put out a notice to Brigit/Kerry to have it that we are still looking for Talent show, vendors and bands. April was emailing the Helicopters again to firm up them being at the event. Ponies are booked, Human foosball, April has a cousin that she was going to check into facepainting for a couple hours. we would be in good shape.

If we can find someone else willing to do some for no more than 5 bucks a face.

### **Vendors:**

Karen is heading out with Vinny to go over spacing. Talked about getting a petting zoo. Vendors have brought in \$630 so far.

### **Booklet:**

Crystal sent us an email update on the booklet. We are still hoping to get some last minute, but so far we have \$1550 in ads.

We have decided to go weekly for the meetings from here on out.
