**Workshop**

Members present: Gordon Littlefield, John Wade, Gary Lamb, Town Administrator and Committee Secretary Nancy Roberge.

Meeting called to order at 6:00 PM.

Gordon went over the background and purpose of the Public Safety Committee.

One of the tasks of the Committee will be conducting a feasibility study of the possibility of having its own police department vs. a contract deputy. Committee will have to look into grant possibilities.

Discussion of work that was completed by the Public Safety Committee in 2006 & 2007.

Election of a Chairman will be postponed to February as tonight was an informational meeting and one member was not present.

It was asked if there were any open items that need action from the public safety committee back in 2006/2007. Some of the topics of discussion was North Station (which has now been torn down) and parking in the fire lane at Hannaford. There is no Fire Lane Ordinance in place at this time for the Town of Waterboro.

We will need to invite Fire Chief Matt Bors, Deputy Chief Lisa Bennett and Contract Deputy Shawn Sanborn to the February meeting.

The next meeting will be February 20, 2014 at 6:00 PM.

Workshop adjourned at 6:52 PM by motion by John 2<sup>nd</sup> by Charlie and approved 2-0.

Respectfully submitted;  
Nancy Roberge,  
Committee Secretary
