

Road Review Committee
11/1/06

The meeting was called to order by Chairman Jon Tufts at 7:00 PM other members present were Fred Fay, Jim Gendron, Ron Perro and Committee Secretary Nancy Roberge.

The minutes of the October 18, 2006 meeting were approved.

Fred brought to the attention of the committee due to the storm, several trees were down but there was no town property damage.

John indicated that he turned in the five year major improvement plan to Nancy Brandt.

John went over with the committee the responsibilities of the Road Review Committee.

Fred indicated that he would like to have a meeting with the Finance Committee sometime in January since he will be leaving for Florida and he will be contacting them to schedule the meeting.

John asked if it was necessary for the committee to meet twice per month and change it to once per month. The discussion will be carried over to the next meeting when more members will be present.

John suggested to Committee Secretary Nancy in regards to mailing the minutes to committee members rather than waiting for the next meeting to go over them. Nancy will be talking to Pam Witman about the suggestion.

Fred is expecting money from FEMA to come in before he can start working on culverts in town.

The next meeting will be held on November 15, 2006 at 7:00 PM. Meeting adjourned at 8:00 PM.

Respectfully Submitted:
Nancy Roberge,
Committee Secretary
