There is a public hearing for the road layout of Eon Way, Meadowbrook Drive and Woodland Drive on May 20, 2008 at 7:00 PM. These three roads will be voted on at Town Meeting as public rods.

The question was raised of what is the role/responsibilities of the Road Review Committee? There has been many times that the Committee has been asked to review a subdivision plan and the appropriate information has not been provided. Jon will attend the next counsel meeting and address these issues.

The Road Review Committee needs to be involved in site walks with the Planning Board

Jon reported that the snow plowing contract has been sent to the Town's attorney.

The next meeting will be June 11, 2008 at 7:00 PM

Motion to adjourn at 8:20 PM by a motion by Ron and 2nd by Jim and approved 6-0.

Respectfully submitted,
Nancy Roberge
