Several members of the committee attended the budget meeting with the Selectmen on 12/2/08. There is a freeze on the budget.

Dustin passed out a 2007 Maine Transportation count book.

There were road counters on the following roads:

Federal Street, Bennett Hill Road, Roberts Ridge Road. DOT just picked up the counters last week.

There has been a report that 3 axle trucks are still using Roberts Ridge Road. With this traffic counter we will be able to tell how many 3 axle trucks are using Roberts Ridge Road.

The Committee came up with dates next year to give DOT to put down traffic counters; the 1st week in June 2009 for Ossipee Hill Road, Middle Road, Federal Street, Webber Road.

6/28 to 7/4/09 Webber Road, Ossipee Hill Road, Middle Road and Federal Street.

August 2009: Roberts Ridge Rd., Clarks Ridge Rd. before Ross Corner, Silas Brown, Deering Ridge

Sherwood Drive: The Committee has evaluated it and made recommendations to the Selectmen and will be submitting those recommendations to them

Meadow Brook: There was a complaint that the loop was not plowed. Fred to talk to Myron about it.

Scooter Way: The town has received \$10,000.00 from FEMA to repair it.

Route 202 and West Road will be evaluated as part of the Route 202 Corridor.

The December 10, 2008 meeting has been canceled.

At the next meeting on January 14, 2009 the Committee will start working on the questionable roads list

Motion to adjourn at 8:00 PM by a motion from Ron and 2nd by Jim and approved 5-0.
