

**Road Review Committee
Meeting**

**April 14, 2010
6:00 PM**

Members present: Chairman James Gendron, Co-Chairman Jon Tufts, Don Drew, Roger Macomber, Tammy Jo Girard, Tom Ursia Town Planner, Fred Fay and Committee Secretary Nancy Roberge

Meeting called to order at 6:05 PM.

Motion to approve March 10, 2010 minutes by Jim and 2nd by Jon and approved 4-0.

Safe Route to Schools - Sidewalk Project:

Tom Ursia addressed the committee regarding the Safe Route to Schools proposal. Old Alfred Road will need drainage work before any type of work could be done. An engineer would have to be contracted. An estimate from Sebago Technics to complete a site walk would cost approx. \$2,450.00. There are always flooding issues on the Old Alfred Road & surrounding areas in the Spring and when there are heavy rains. The deadline for this project is June 30, 2010. Tom Ursia has offered to complete all applications for the Committee. If this project stays under 20,000 sq. ft. DEP involvement is not required.

The Board of Selectmen has requested a letter from the Committee endorsing our approval of this project. A letter was written and all Committee members present signed the letter.

If grant money is awarded to Waterboro the sidewalks would possibly be started in 2012.

Tom is suggesting that we start working now on our CIP Plan for next year and make it a Warrant Article in the 2011 Town Meeting.

Fred reported that he will be contacting CMP about some trees that are posing a hazard to the power lines in Waterboro.

The next meeting is May 11, 2010 at 6:00 PM.

Motion to adjourn at 7:30 PM by a motion by James and 2nd by Don and approved 4-0.

Respectfully submitted,
Nancy Roberge
