**CIP's 2012-2017**

We need to do a 5 year plan and in that 5 year plan we need to include ditching and name the road(s) that will be ditched and include a quote to complete the ditching. CIP's are due mid October. To start we need to come up with a list of roads to ditch: Middle Road, Ross Corner Road, Clarks Bridge Road (paving & ditching), New Dam Road – Doug to get ditching estimates by 10/5/11. Need to add ditch maintenance in the CIP's.

2012/2013 - New Dam Road – Tree cutting, culverts from Chadbourne Ridge to Linwood Dr. grind, grade approx. 2,500 feet estimated cost is \$9,000.00 to prepare for overlay.

2013/2014 - Blueberry Road & Deering Ridge Road & permits for Hamilton Road

2014/2015 - Hamilton Road culverts (need to file permits the year before)

2015/2016 - Straw Mill Brook Road

2016/2017 – Chadbourne Ridge Road

**Snow Plow Request**

Roger measured the road (Chadbourne Ridge Road) and completed some research from some prior minutes – from Route 117 go in 3,490 feet. Beyond that footage the road is abandoned, but we are not sure if there is any documentation. Roger to check with Nancy Brandt to see if there is documentation – to be discussed more at the next meeting.

The Committee will be having a workshop on 10/5/11 at 6:00 PM.

Motion to adjourn at 7:45 PM by Jim 2<sup>nd</sup> Fred approved 4-0.

Respectfully submitted;  
Nancy Roberge,  
Committee Secretary
