

Road Review Committee
April 9, 2012
At 6:00 PM

Members present: Roger Macomber Chairman, Tammy Jo Girard, Doug Foglio, Dave Benton and Committee Secretary Nancy Roberge.

Meeting called to order at 6:10 PM.

James Gendron is unable to be here tonight due to he is recovering from surgery and Fred Fay is in Florida recovering from surgery.

The March 21, 2012 meeting minutes will be approved at our next meeting.

Deering Ridge Road: Doug owns a portion of the road – Doug suggests having deed drawn up giving the Town rights to the road.

What is our responsibility?

Doug indicated that MDOT has measured all the Town roads. We need to get a copy of that list.

Soucy Drive: Doug has found the following: Electrical lines are run under the pavement, no turn around, trees not cut back.

Road Counters: Should we come up with a list of where we want to put them this summer? Doug suggests: Webber Road, Deering Ridge Road & Town House Road. Tammy suggested checking with the Planning Board to see if they have any projects that they need road counts on.

West Shore Road: Trees have been cut.

Amy Lane: Trees have been cut.

Betty Lane: It has been dug out the left hand side of the road so that it is easier to see oncoming traffic.

Dirt roads are being graded. Surfaces on most of our dirt roads are gone. We need to start resurfacing these roads with crushed gravel.

Measuring roads & culverts: Doug suggests having Tommy mark the culverts and have the Committee go out to measure the culverts and keep a log of them. Doug would like to get sign posts with red & green tags to mark all the culverts and retain the data.

Motion to adjourn at 7:30 PM by Roger 2nd by Dave approved 4-0.

Respectfully submitted;
Nancy Roberge,
Committee Secretary
