

**Road Review Committee
Meeting
November 12, 2014**

Members present: Chairman Charlie Drapeau, Dave Benton, Jim Gendron, Tammy Jo Girard and Nancy Roberge, Committee Secretary and Vice Chairman. Also present: Doug Foglio.

Meeting called to order at 6:15 PM.

Motion to approve October 8, 2014 Meeting Minutes by Jim 2nd by Dave approved 5-0.

Discussion had on the Town Attorney comments on the proposed driveway ordinance. Part of the Committee's concern was that we were not part of the conversation with the Town Attorney as to what we were trying to accomplish with this ordinance. Tammy Jo mentioned that she can discuss with the Selectmen that the Committee would like to have a workshop with the Town Attorney.

Tammy Jo recommended to the Committee that as part of the budget we add a line item for legal expenses for being able to meet with the attorney on an as needed basis.

Doug discussed a couple of issues that he believes is going on right now in the Public Works Dept. – One is the road opening ordinance and the 2nd is a clothing allowance policy.

Update from Doug: Up on Deering Ridge Road: All but 1 of catch basins as part of the CIP project. Some of that piping was 10' deep in some areas. There were a few residents that gave the Public Works Dept. a difficult time in regards to the work that was being done on the road.

Request for driveway entrance permit on Croppers Hill – Ditches cleaned $\frac{3}{4}$ ways up and rip rapped.

Dave has been up graveling the Bagley Road. If it is not able to be paved in the next few days, then it will be paved in the spring.

Mowing has been done on many major roads.

Gravel is being crushed as needed for the Town.

Straw Mill Brook – Removed the bank from Holden property to the brook. There is a serious drainage problem on that road and it needs an underdrain.

Planning Board meeting regarding the camp ground: It has been agreed that the McLucas Road be used as the entrance and exit to the campground. The Public Works Director disagrees with this decision due to that road is not capable of withstanding that much traffic.

Doug mentioned that the store that will be going into North Waterboro he does not agree with where the driveway entrance will be constructed.

The next meeting will be December 10, 2014 at 6:00 PM.

Motion to adjourn at 7:30 PM by Dave 2nd Charlie approved 5-0.
Respectfully submitted;

Nancy Roberge,
Committee Secretary & Committee Member
