

**Road Review Meeting
October 14, 2015**

Members present: Roger Macomber Chairman, Nancy Roberge Vice Chairman, Scott Davis, Tammy Jo Girard. Also present: Doug Foglio. Not present: James Gendron and Dave Benton (Dave not present due to illness).

Meeting called to order at 6:25 pm.

Motion by Nancy and 2nd by Roger to approve September 9, 2015 meeting minutes, approved 3-0.

We welcome a new member Scott Davis to the Committee.

Power wheelchair in use sign was installed on Beaver Ridge Road (due to a request from a resident).

Capital Improvement Plans: Per Tammy Jo, those should be created by Doug with the assistance of the Road Review Committee. Nancy will be helping Doug to create a cost breakdown on work done (ditching, paving, brush cutting/tree removal, etc.) on roads for the Capital Improvement Plan.

Doug reported:

Deering Ridge Road: Has been ditched, sloped, erosion control installed and the base pavement is down. The road still needs to be striped.

Hooper Hill Road has been ditched.

Strawmill Brook Road: Work is nearly complete on this road. It still needs to be shouldered and striped. New stop sign installed – there was a blinking sign installed at the end of September to warn drivers of the change.

We need to schedule a traveling meeting for Doug to show the Committee work completed and work that needs to be completed on roads.

The next meeting will be November 11, 2015 at 6:00 PM.

Motion by Roger to adjourn at 8:00 PM 2nd by Nancy approved 3-0.

Respectfully submitted;
Nancy Roberge,
Committee Secretary & Committee Member
