Walter Stinson In to discuss the problem of the Town Hall pulling away of the north wall. Also the floor. He suggested that the Selectmen get in touch with Al Hutchin of Portland Mr. Hutchins is a Structural Engineer. Selectmen decided to have David Stevens check the anchors on the walls first and take each step at a time.

Mr. Stinson also discussed the reclaiming of the Old Town Dump. He said that he could have a proposal ready for the Selectmen by May 15th. The cost would be need before going into a Special Town Meeting. A letter was signed by the Selectmen giving Stinson the go ahead to start on the proposal. Stinson said he would like to test some of the clay that may be available in the area, he was given the names of the Dayton and Lyman Road Commissioners. Stinson said that when the time came e would be willing to meet with the Contractor and go over the plans and the area.

Keys to be ordered from Down Maine Office Supply for the Assessment card file and the Building Insp. file.

The Selectmen voted to have the Building Code Book retyped by Leslie Hammond.

Selectmen made copies of the Westwinds Plans and materials from the Planning Board file folder.
