Regular Selectmen's Meeting

Present: Chmn. John Monteith, Andrew Woodsomè, Jr, Robert Fay, Jean Chick, Glenn & Rose Bean .

Roger Elliott to meet with the Planning Board June 9th. to go over the Zoning Ordinance Revisions.

Perley Yeaton, Sr. will be notified of the Tree Growth Penalty.

Selectman Woodsome reported that he had talked with D.O.T. Rep. Mike Zsiga and was tol that the Town could use the TRI monies (\$2,645.) on the Bennett Hill Rd. to surface the road. The road has to be 18 ft. wide in order to meet the D.E.P. specs. for the Transfer Station Site. 22ft apron, 30 ft. ditch to ditch. Brush to also be cut along the sides.

Rd.Comm. Bean said he had two men cutting brush and that they had finished tonight, Bean to be working on the stump dump in the morning. He asked the Selectmen to meet with him at the site to discuss the extra work he has done on the stump dump , in order to conform to the Maine Forest Code of a 110 ft. gravel buffer aroundthe dump. At this time the Selectmen will review the Bennett Hill Rd. R.L.Stevens to be contacted by the Selectmen to complete his terms in the dump contract, such as installing the fence, etc.

Discussion was held on an Ad in the May issue of the Townsman, referring to Eastern Bituminous Materials Co. on sand sealing 3/4 of a mile for \$2,750. Selectmen will call a rep. from the Company for more information.
