

SELECTMEN'S MINUTES
August 25, 1987

PRESENT: Bob Fay, Chairman, Andrew Woodsome Jr., Dennis Abbott

FRANK GRIGGS: Mr. Griggs was in to see the Board to discuss a concern that on July 22, Fred & Co. were cutting a big tree of Mrs. Fallows. The following day Frank said he asked Fred if he cut the tree up and suggested that the wood belonged to Mrs. Fallows. Fred disagreed with Frank and this all lead to Frank coming in to register a complaint about Fred's apparent lack of respect for Frank's request. Fred apparently did not wish to continue the conservation. The Board will discuss this with Fred.

Y.C.S.D.: Bruce Woodsome and Paul Mains attended the meeting. The Board discussed the issue of money missing onver the past few weeks/months. A couple of instances were cited, however, no one has a realy good idea of what happened.
