Dwayne needs a letter stating when and how many complaints were made over the past two years. Dwayne has counter sued Mr. Currier on the damage done to his trucks by the rocks Mr. Currier put there. Rocks were showing and now you can see where chunks of snow have been dug out and the rocks are covered up. Board would like to have Road Commission contact Hollis to widen the end of the road, take out the triangle, so the trucks can turn around there and not in Mr. Currier's yard.
