

SELECTMEN'S MEETING MINUTES
November 8, 1988

Regular meeting of the Board of Selectmen.

PRESENT: Chairman Dennis G. Abbott, Robert C. Fay.

REPORT OF STANDING COMMITTEES:

ROAD COMMISSIONER: Fred Fay was in to ask the Board about selling one of the Bryant sanders. Les Leighton is interested in buying one of the sanders. The Town does not use the Bryants now, the hopper type are used. Sel. Abbott told Fred that he should submit an article to ask the Townspeople to sell the Bryant sanders. Suggested that the Town keep two for spares.

NEW BUSINESS:

The Board had no appointments scheduled.

Board was asked by the Code Inforcement Office if building fees on SAD #57 should be waived. The building in question is the dug outs being built behind the High School. The Booster's Club are building them. The Board voted to waive the fees for the dug outs but would like to know how SAD has been handled in the past.

Board voted to contact Karen Lovell and have her start the eminent domain process for the Dupee lot off the Straw Mill Brook Road.

Board voted to hire Alan Roberts to shovel and sand the walkways at the Town Offices.

Board signed the warrant for payment of payroll and bills.

The following lein release deeds were signed:

BONNIE TITCOMB: Bonnie met with the Selectmen to discuss the pollution problems that the Town has with Southern Maine Finishing and Waterboro Patent Corp. She told the Board the only way to deal with DEP is by a media blita. She will call the office and set up a meeting with the CEO office and the Selectmen's office to come down and look at the sites. Bonnie would also like an informational packet put together on the pollution and she would like a list of people who would be interested in receiving bulletins.

The Board signed the warrant for payment of bills and payroll.

Board will send a letter to Ann Issac to tell her that the Town is aware that there is an error and she will be receiving a tax bill.
