

SELECTMEN'S MEETING MINUTES
January 17, 1989

Regular meeting of the Waterboro Board of Selectmen.

PRESENT: Chairman Dennis G. Abbott, Robert C. Fay.

REPORT OF STANDING COMMITTEES:

SAD #57 BOARD OF DIRECTORS: Millard Genthner and Charlene Jacobsen gave the Board a report on the last school board meeting. After Millard submitted Chairman Dennis Abbott's letter, he made a motion for all Towns to comply with the Towns in SAD #57 Zoning and all Town regulations. The motion was tabled until sometime in the future. Millard could not get put in the minutes why the last meeting was adjourned, due to Dr. Gallucci walking out of the meeting. Millard and Charlene showed the Board their minority report they have written to present to the Board of Directors. Millard & Charlene also told the Board that Dr. Gallucci has asked for a 10% salary increase for the Transportation Coordinator, and the Assistant Superintendant will be put on full time. The original salary increase for the Transportation Coordinator was 15%.

NEW BUSINESS:

DICK COTE: Mr. Cote was in several months ago to discuss with the Board the right of way that is on Eon Way that Pee Wee Dube is saying is his. The Board told him at that time that it was a civil matter. Mr. Cote wanted to let the Board know that the right of way is being blocked by the SAD truck that Pee Wee drives. He has also put two cement slabs on the property. Mr. Cote wanted to know if a permit was needed or given for the cement slabs. Sel. Abbott told Mr. Cote that the best thing he could do is to hire an attorney to look into it. It is a deeded right of way. Pee Wee has put a 16 x 40 foot cement slab in. 10 x 16 feet of it is in the right of way. Sel. Abbott told Mr. Cote that it is a civil suit and there is nothing the Town can do, but to check with the Building Inspectors office to see if a permit was needed or not.

The Board at this time adjourned to the Town Hall where a Special Town Meeting was conducted.

Board signed the warrant for payment of bills and payroll.

approved
