March 28, 1989

Regular meeting of the Waterboro Board of Selectmen.

PRESENT: Chairman Andrew C. Woodsome, Jr, Robert C. Fay, Dennis G. Abbott.

REPORT OF COMMITTEES:

Selectmen Abbott reported on a meeting held Monday 3/27 at Hollis concerning franchise agreements with United Video and the three towns (Buxton, Hollis, & Waterboro). In attendance also were Ken Roberts from MMA and Attorney Ken Cole. A great deal of discussion was had on what would be then best approach to take issue with. 1. No business office within the 3 towns. 2. Complaint procedures, all complaints would be resolved within 48 hours. Ken Cole really believes that we the Towns have a lot of leverage, however, we have to realize that our resource is to start franchise revocation proceedings. Ken Roberts says that most Towns that have cable committees have no problems. Ken Cole suggest that all six Towns get involved instead of just the 3. Phil Atkinson said that he could contact the other Towns.

Dwayne is concerned with future water, etc. He has talked with these people and they have said that they would move them out back. DANA BLACKBURN: Dana was in to discuss his concern with people being albe to have screen houses, it seems that some sites are not level and he would like ti know if people can put wooden platforms instead of putting on the ground. He stated that some people lhave come to the CEO office and Tim has told them to pour cement. Dana does not want cement and feels that wooden platforms would be more appropriate.
