

SELECTMEN'S MEETING MINUTES
3/27/90

Regular meeting of the Waterboro Board of Selectmen.

PRESENT: Chm. Robert C. Fay, Dennis G. Abbott, John C. Monteith

NEW BUSINESS:

FRED OWEN: Fred came in to talk with the Board about his hauling of gravel out of the David Stanton's pit in North Waterboro. The neighbors have complained and would like to have him tar the road for 200 feet in from Rte. 5 to keep the dust down. Mr. Stanton has a permit for a five acre gravel pit. Last year they applied calcium on the road to keep the dust down. Mrs. Hanson has been complaining about the dust due to her health. Genest is also hauling.

BOB VERMEULEN: Bought in some ammunition that he found at the dump. Some was found when they pushed back the white goods pile with a tractor. Bob also stated that he would like to be present during the dump meeting. He is also interested in working at the dump. The attendant that works for Richmond wants to work only part-time. Bob is willing to work when the attendant doesn't want to. Has not talk to Richmond yet about it but plans to in the future. Sel. Monteith stated that on Saturday the canister was full at 10:00 a.m. The canister was changed Friday at noon. There is a waiting line to get into the dump on Saturdays. Chm. Fay at this time contacted Richmond Stevens on the telephone to discuss what can be done to be sure there is an empty canister on Saturday morning. The Board also discussed opening the dump on Sundays for three or four hours which may leviatate the tie up on Saturdays. Bob Vermeulen also told the Board about the problem with Stoney parking his truck by the transfer station. He has been asked several times to move his truck but he just parks it back there. Chm. Fay made the statement that probably it would be a good idea to spearate items to sell, would like to change the policy on people dumping beside the Bennett Hill Road. Instead of paying a constable to go and find the prople and have them clean it up have the Sheriff's Dept. called and have them ticketed for littering.

LIONESS'ES: John Kustron, Anne Kustron, Betty Champion, Anna Jackson came in to discuss the lease contract for the building. John has worked on a 99 year lease and presented it to the Board. The Town will pay for the heat and lights and will check into insurance. The Town also plows the parking lot. Anna Jackson stated that the club would rather enter into a contract instead of leasing. Sel. Abbott told them that they need to lay out a plan on what should be done first. The Board will meet with them on Monday April 2nd at 6:00 p.m. to look the building over. Tim Nelson and Van Foglio will also be invited to attend. The Board gave them permission to go ahead and start renovating and will meet back April 10th to look over the contract.
