

Selectmen's Meeting Minutes
9/4/90

Regular meeting of the Waterboro Board of Selectmen.

PRESENT: Chm. Robert C. Fay, Dennis G. Abbott, John C. Monteith.

REPORT OF STANDING COMMITTEES:

RECYCLING COMM.: Debra Miles came in representing the Recycling Comm. The Committee has gone over the plans for recycling at the dump that were made by Sebago Technics. The Board will meet with the Recycling Comm. and the Road Commissioner at the dump at 6:00 p.m. next Tuesday to see where the gravel slab should go for the recycling container.

NEW BUSINESS:

FRED FAY: Sel. Abbott went over the road accounts with Fred to see what he will need and what has been done so far this year. Fred told the Board that he will be out of cold mix this year. The Board discussed the other accounts. Some of the service agencies have not requested their money yet. The electric and telephone account is almost overdrawn. The Board agreed there is a need to look at the cash flow at the end of the discount period for taxes. Sel. Monteith would like to see if the money situation gets tight to go to SAD 57 to see if they can borrow. The Board will keep a close eye on the money situation.

Sel. Monteith reported that he received a telephone call from Dot Thyng to let him know that if she and Stan Goodwin had to do it all over again, they would not sign the deed to straighten out the North Waterboro Fire Dept. property. They never received a thank you from the Town.

The Board voted to pay Mark Caldwell the rest of the money from the Assessing account.

The Board will hold a special meeting with all Town Committees on the second Tuesday in October to go over how the budget requests will be handled.

Board signed the warrant for payment of bills and payroll.
