The Board adjourned to the Town Hall to conduct this month's Council Meeting.

After the Council Meeting Dianne Holden came in to discuss with the Board why her request for renovations was not added to the warrant for the upcoming Special Town Meeting. Sel. Abbott and Monteith thought that she wanted it on the warrant for Annual Town Meeting. Dianne stated that her written request was for the upcoming Special Town Meeting. She stated that comments are made that she is never in the office when she is here but in another part of the building working do to not enough room in her office. Last Friday being the last day for tax discounts was very difficult to work with three people and no work stations. Sel. Abbott told Dianne that there will probably be another Special Town Meeting before the end of the year.

The Board voted and approved the Town of Waterboro Staff Research & Investigation Service Policy to become effective September 18, 1990.
