

SELECTMEN'S MEETING MINUTES
May 7, 1991

Regular meeting of the Waterboro Board of Selectmen.

PRESENT: Chm. Robert C. Fay, Dennis G. Abbott, John C. Monteith.

NEW BUSINESS:

IDA MALLORY: Ida brought in to the Board a proposed contract for the Town of Waterboro and Pine Tree Animal Shelter for a per capita cost. Sel. Monteith stated that he would like to see an annual fee instead of paying when the bills come in. Ida figures the cost per year will be \$3,250. The bill last year to the Town was \$2,775. The Board will review the contract and when it is signed a copy will be sent to her.

LION'S FIELD: Mr. & Mrs. Seehagan were in to see about when the fence will be moved off their property that surrounds the ballfield. Bob Gobeil told the Board the estimate cost of moving the fence will be \$400. This is just to move the back line fence and not on the side. The quote was for 10 poles and that is how many poles that need to be moved on both sides. Sel. Abbott suggests that before the fence is moved, Sebago Techics comes out and put wooden stakes where the fence should go. The Seehagan's will be notified when this will take place. Dana Woodsome and David Abbott was also in to discuss the lights at the field. The proposal the Parks & Rec. came up with is for 18 lights, 3 on a pole, and Dana doesn't feel that that will be enough lights. The proposal for the 18 lights is from Little League Specs. The poles need to be 45 feet long. Some individuals have approached Dana and have offered to buy a pole. Sel. Monteith suggested looking into putting a couple of lights on the back of the building, that could eliminate several poles. Everyone present looked over the survey of the field. David told the Board that Jim White who is a sales rep. for Ralph Pill Co. will take the survey in and put it on a computer to see how many lights will be needed. Can buy direct from him. Saco River Tel. & Tel. have offered the use of one of their trucks to put the poles up with.

PARKS & REC.: John Winslow, Don Martin, Dawn Tilton, Andrea Lefevbre, Carole Cochran and Bob Gobeil was present. Bob Gobeil introduced to the Board Earl Manning who is interested in working at the Rte. 5 area. Dwayne Morin had Bob Gobeil move the Residents Only sign, people were reading it and not launching their boat. When over the proposal for hours needed for a Constable and a Sheriff. The Board feels that a Sheriff is not needed until 8 am, have an attendant there from 5-8 (fishermen will be allowed to park, but will be told they have to move their vehicle by 8 a.m.) If Earl is chosen to work there, he will have to be appointed as a Special Constable. Suggests having Earl there 5-8 or 9 am, a Sheriff from 9-3, and Chauncey Gerry from 3-6. The restaurant has stated that the busy hours are supertime. Sel. Abbott wants it made clear that the Town is not sending constables or attendants up there for the restaurant. Before the boats can pull out, the boat has to be secure, not allowed in front of the restaurant.

Chm. Fay suggests having Earl 5-8 am, Chauncey 8-10, Sheriff 10-4 then either Chauncey or Earl from 4-8. Also asked about during the week. Andrea doesn't feel that it is a problem during the week and suggests spot checking and if a constable is needed then send one down. Dawn told everyone that she has heard people are going to park elsewhere and shuttle people there. Should also check into hiring a security officer instead of a Sheriff. Everyone present agrees the early morning fishermen will not be bothered. Bob G. will have the sign changed to residents only, beach area and also have a sign for the rules and regulations for the boat launch. John stated that he has concerns over the parking for boats, if he wants to park and there are no parking spaces due to non-residents taking the spaces he will be very upset. Can tolerate it if the spaces are taken by residents. Dwayne told everyone that you can't shut off the ramp or the state will cut off all funding through the whole Town, includes Game Warden, stocking and any grant money that could be available. Parks & Rec. need to meet and make the decision on the rules and regulations. Chm. Fay would like the sign put back up, alot of people were discouraged by it. Dwayne suggests having residents park on one side and non-residents on the other. Chm. Fay asked Dwayne to contact the state and the attorney then meet with Parks & Rec. and if an article is needed get it in this week.

Board signed the warrant for payment of bills and payroll.
