The Board asked Dwayne to have Nettie John com in to talk to them about it. Dwayne also updated the Board on the Rose Lowe property. M & H Logging has demobilized and will cost the Town \$7,000. to come back in Town. They will be back to patch the roads. Dwayne also informed the Board that he has received the paperwork from the State on the road in front of Brunetti's Restaurant. The Board questions why it is being done, the rest of the road was bought for one dollar, no gain for the Town, it gives the land to the restaurant. The owners of the restaurant has stated that they will give the Town a perpetual easement. The Board suggests having the Town Attorney review and make suggestions. Board has concerns if the Town discontinues it and then turn it over to the Restaurant, what happens if they don't pave it and people can't get to the boat ramp. Chm. Fay suggests making it a Town road and giving the restaurant an easement. Dwayne showed the Board samples of rugs for the foyer both in the Town Hall and the office area. Board approved the purchase of the rugs for both foyers.
