

SELECTMEN'S MEETING MINUTES
June 18, 1991

Regular meeting of the Waterboro Board of Selectmen.

PRESENT: John C. Monteith, Frank R. Allen, Jr.

NEW BUSINESS:

MILLARD GENTHNER & RAYMOND SMITH: Millard told the Board that there is a gate at the dump and they would like to have it installed between the highway dept. garage and the stump dump. When the highway dept. gate by the road is not locked then people are coming right into the stump dump that way. Millard and Raymond would install it and would have Fred bring some big boulders down and put them on either side so cars cannot go through. Sel. Allen asked about putting a walk-in at the main gate. Both Millard and Raymond feel that it is not a good idea, everything would be thrown into the transfer station. Sel. Monteith and Allen approved the installation of the gate with the stipulation that if it does not work then Fred will have to keep the highway dept. gate locked at all times.

DWAYNE MORIN: Dwayne went over the paper bids with the Board that he has received from SMRP. Will need storage space. Considering cleaning out behind the CEO office to use for storage. Will save about 65% also can save on computer paper. There is a choice of either going with one delivery or having two delivery dates. If Town goes with the two delivery dates then it will have to be paid up front. Sel. Monteith and Allen approved the purchase of paper through SMRP. Dwayne also updated the Board on the closure of the dump. The Town can get 75% of the cost of closing the dump in 1982 back. The Sheriff is starting at the beach this weekend.

Board signed the warrant for payment of bills and payroll.
