DWAYNE MORIN: Dwayne discussed the Massabesic Medical Center with the Board. None of the doctor's that are renting pay personal property tax. Barry Tibbetts has written a letter to the Lion's Club concerning this. Chm. Abbott feels have perfect right to tax the part of the building that is being leased out to the doctors. Sel. Monteith will be attending the Board of Directors meeting tomorrow night and will present a copy of the letter to the Board and explain it to them. Have come across a Bi-Centennial Committee CD that is worth \$6,000. It has never been audited. Sel. Monteith stated that it was set aside for the Tri-Centennial. Dwayne could only find one bank statement which was for last month. The CD is tied up until next May. Will look further into investing this money.
