

**SELECTMEN'S MEETING MINUTES
AUGUST 31, 1993**

Regular meeting of the Waterboro Board of Selectmen.

PRESENT: Chm. Frank R. Allen, Jr., Dennis G. Abbott and John C. Monteith. Also present: Selectmen's Assistant Dwayne Morin, Parks & Rec. Chm. Bob Gobeil and Art Smith.

REPORT OF STANDING COMMITTEES:

DWAYNE MORIN: Dwayne discussed several issues with the Board. He has talked to Atty. Roger Elliott and Roger told him that he wrote a letter on plowing but not sanding. Sel. Abbott makes the motion that due to legal counsel advice, any trucks employed by the town for the upcoming year including sanding, will be hired by the hour includes truck and driver also showing proof of liability and workman's comp. and vehicle insurance be provided. Chm. Allen seconded, voted, passed. Dwayne asked the Board to consider talking to Doug Foglio and Bob Abbott about sanding and plowing at the same time the major thoroughfares, i.e., West Road, Town House Road. Sel. Abbott can't see how this would save any money due to the trucks having to stop plowing and having to go back to the stockpile to get sand loaded. Dwayne will call Doug and Bob to get their feelings on it. Will need to purchase an additional sander. Sel. Abbott told the Board that Doug has requested a sander to fit a wheeler. Dwayne will get prices on a hopper sander. The Board reviewed the rates that the town has been paying versus the state D.O.T. pay rates. Chm. Abbott made the motion to pay state rate in addition \$1.00 for trucks (attach list). Pickup truck rate will be for truck only at \$15.00 an hour with no mileage paid. Sel. Monteith seconded, voted, passed. Dwayne reported that the Lions can't use the trust for collateral for the remodeling at the medical center due to a clause but Key Bank is looking into other avenues for them to use. Sel. Abbott made the motion that a letter be sent to outstanding personal property tax bills, that if they remain unpaid in full within a reasonable time, their names will be published in the Smart Shopper. Sel. Monteith seconded, voted, passed.

NEW BUSINESS:

SUSAN PARKER: Susan came in to discuss a clean up day to be held at the Elementary School. The Board told her that she would need to get permission for the school and not the Town. She asked if the Town had any property that could be used for a clean up and Chm. Allen suggested Ossipee Pine Park. Susan told the Board that they would use Ossipee Pine Park for their badge project and schedule it for September 11.

JUDY CARLL: Judy came in to discuss with the Board the possibility of having a community garden at the Taylor House. She has taken the master gardener course through the extension office and there is money available for fertilizer, etc. Town of Sanford had to turn people down due to not having enough space.
