

**SELECTMEN'S MEETING MINUTES**  
**August 13, 2002**

**PRESENT:** Douglas Foglio, Sr., Willis Lord, Eric Herrle, Nancy Brandt, Pam Witman, Bob Fay, Jerry Daigle, Bob Gobeil, Frank Birkemose, Jr., Kevin Nelson, Deb Wentworth, Wendy Warren, Larry Jacobsen, Dave Benton, Pam L'Heureux, Teresa Lowell, Mike DeAngelis, Mike McAlevey and Paul Kussman.

Opened meeting at 8:50 p.m.

**NEW BUSINESS**

1. Motion by Willis and seconded by Eric to accept the minutes of 8/6/02 as written. Voted. Passed.
2. Doug explained that they will be generating a lot of erosion control material with the grinding of the stumps at the Transfer Station. Felt that this material should be donated to the Little Ossipee Lake Association at no charge to be used for erosion control. Rather than the town get into grading private roads, should donate this material to the lake association for the protection from phosphorus in Ossipee Lake and other bodies of water in town. Motion by Doug and seconded by Willis to donate this material and once someone, probably Nancy, determines it is for a lake, that she contact the Road Commissioner and that he load it onto the appropriate vehicles at no charge. Voted. Passed.

**OTHER**

1. Discussed gating the boat launch when there is no one on duty to monitor the boats and trailers going into the lake for milfoil. Need to work out the details but do need to protect Ossipee Lake from milfoil at any cost.

**ADJOURNMENT**

Motion by Willis and seconded by Eric to adjourn at 9:10 p.m. Vote 3-0-0.

**SIGNED:**
