APPOINTMENTS

Patti spoke on behalf of David and Theresa Rench and explained that there are three options available. They could make them tear down the garage, reconfigure to come into compliance or enter into a Consent Decree. She recommended the Consent Decree with a minimal fine of \$100-\$500. Stated that they have tried to purchase more land but have not been able to. Motion by Selectman Moore and seconded by Selectman Fay to enter into a Consent Decree for \$100. Vote 3-1-0 with Selectman Woodsome opposed.

Dep. Loren Conger reported on last months activity. Stated that they had 291 calls for service which was less than normal but that's because they shared with the State Police so they probably had as many calls. Worked a lot on the BB gun spree and still needs to hear from all the victims. Worked on 4 domestic violence calls, 4 OUI's, 22 suspicious persons, 7 calls for theft (4 at cemeteries), 24 calls for traffic, spent time on Ossipee Hill Road and Bennett Hill Road for illegal dumping. Selectman Fay questioned the status of the fatality on the lake. This is being handled by the warden service so the Sheriff's Dept. has no information. Also stressed that his 247-4227 number is non-emergency only. Commended SAD 57 on how they handled a drunken party.

Jerry Daigle, Assessor's Agent reported that the tax rate was \$22.50 last year. Have a 6.7 million increase in valuation this year. Has three proposals as follows: \$23.70 which is a \$.70 increase per 1,000, \$23.10 which is a \$.60 increase per 1,000 and \$23.00 which is \$.50 increase per thousand. Would like to set the tax rate next week so the bills can go out October 13th. Due dates would be November 17, 2006 and May 18, 2007. Discussed TABOR. Motion by Selectman Fay and seconded by Selectman Moore to go with \$23.00. Vote 4-0-0. This includes an overlay of \$134,821.45
