

Transfer Station Committee
Workshop
May 17, 2010
6:30 PM

Members present: David Woodsome, Karen Banks, Mike DeAngelis, David Johnson, Dennis Abbott. Also present: Clint Andrews, Dean Waterhouse, Frank Allen, Bob Gobeil and Committee Secretary Nancy Roberge.

Workshop called to order at 6:30 PM. Agenda: Promoting the pay as you throw system.

Pat and Karen created hand outs that were passed out at the Transfer Station this past weekend.

Advertisements needs to be submitted to the Reporter and the Smart Shopper by next week.

Dennis will talk to David Lowe about getting a link to the video that Brigit created onto the town website.

Frank recommended that Dennis write an editorial in the Reporter.

Dean said his wife has talked to a lot of their customers and have gotten them to recycle.

The Selectmen are doing a Public Service Announcement about some of the line items on the referendum with Saco River Television.

People dumping trash on the side of the roads is still an issue. Dennis reported that the most recent offenders are being summonsed. Karen suggested that the Town post offenders pictures on the Town Website.

Compactor: What needs to be done to prepare for it if it is voted in? The drawings and engineer work is completed. Concrete and electrical work will need to be put out to bid.

The schools will not be participating in the mock election due to end of year time constraints.

There will be a Public Hearing at the Town Hall on 5/18/10 at 6:00 PM. David encouraged members of the Committee to attend.

Compost: Clint reported that if we sell the compost, an analysis has to be done on the compost in order to sell it. The cost of the analysis is \$500.00. Due to the costs of the analysis we cannot sell the compost. The Committee does recommend charging a nominal fee if the Transfer Station has to use the bucket loader to load someones vehicle to cover the cost of the use of the bucket loader, gas, attendants time, etc.

The next meeting is May 24th at 7:00 PM.

Workshop adjourned at 7:45 PM.

Respectfully Submitted,
Nancy Roberge
